

## WE SUPPORT YOU WITH AIRSING QUESTIONS OF UKRAINIAN HEARING-SYSTEM (COCHLEAR IMPLANTAT) USERS

### What is a Cochlea Implantat?

A Cochlear-Implant is an implanted electronic hearing device (a hearing prosthesis) for e.g. people with severe hearing loss or deafness that cannot be compensated by hearing aids

### What questions could arise?

- Where can I get batteries to keep my cochlear implant working?
- How or where can I get technical accessories, since I could not take mine with me / lost it while fleeing.

Please do not hesitate to contact us in case of any questions. We will be happy to assist.

**Cochlea Implantat Verband Mitteldeutschland**
